**New Jersey Committee**  
**Rose Order Form**

*Stephen Scanniello, best known as the hands-on gardener who transformed the Cranford Rose Garden of the Brooklyn Botanical Garden into one of the world's most acclaimed rose gardens, touts fall as the PREFERRED time to plant roses! To that end, we are selling the following roses that he has personally selected for NJ GCA members. These extremely rare roses are available in strictly limited quantities.*

*Pre-ordered plants will be available for pickup at the Frelinghuysen on Thursday, October 1st from 10-11 am before the start of Stephen's lecture. Plants that are not picked up will be resold later in the day. Absolutely no refunds will be given.*
