Energy Saving Bulbs

at The Frelinghuysen Arboretum
53 East Hanover Avenue • Morris Township, NJ

No, not the compact fluorescent kind...flower bulbs! A little work in the fall will reward you with blooms in the spring and well into the future—saving you time and energy. Go green! ...and red, and yellow, and orange...

Presenter Marc Zukovich, President of Sterling Horticultural Services and Professor at County College of Morris, is a gifted speaker and incredibly knowledgeable on all topics horticultural. His talk on bulbs is one of the best. There will be bulbs for sale—cash or checks only—following his talk.
