

"Start Your Own Forest" Scavenger Hunt

at The Frelinghuysen Arboretum
53 East Hanover Avenue • Morris Township, NJ

The easiest way to start your own forest is from seeds and in this weekend event, families will learn how to identify trees, find and collect tree seeds, and discover just how easy it is to “cold treat” seeds for spring germination. Using maps and a scavenger hunt list, families will search for a variety of seeds and leaves all over the arboretum. Families will pot up and take home all seeds they find and everyone goes home with info on ways to identify trees in their own backyards.

Date: Sunday, October 10, 2010

Please register by October 1

Time: 1pm (rain or shine)
