A Photographer's Eye

Noted garden, nature and landscape photographer Alan L. Detrick presents this multimedia lecture. Combining beautiful imagery and music, the many different ways to "see" a subject are illustrated along with ways to improve your digital or film photography.

Mr. Detrick is the author of "Macro Photography for Gardeners and Nature Lovers" and his award winning work has appeared worldwide in major publications.

Time: 1pm – 2pm

Cost: \$15. Friends members/\$20 non-members
