Please make your family's reservations  
promptly, as spaces are limited.

The Garden Fairies return to The Frelinghuysen Arboretum this summer!  
To prepare for their arrival, houses need to be built. Families are invited to  
celebrate the 5<sup>th</sup> Fairy Day and build a home for these visiting wee folk. Discover  
the nooks where fairies may hide and learn what makes the perfect fairy home.

Then build one for all to see. All supplies - bark, branches, lichens, mosses,  
feathers, stones and leaves - will be provided. Bring your own materials as long  
as they're natural - fairies shun man-made materials. All the fairy houses will be  
on display throughout August.

Recommended for ages 5 and up.
