# Trees and Shrubs for Fall Interest

at The Frelinghuysen Arboretum  
353 East Hanover Avenue • Morris Township, NJ 07962

Learn about a variety of trees and shrubs to add to your landscape for interest and color in the autumn months with Scott D'Agostino, Horticultural Program Specialist. We will also discuss the physiology of plants that causes them to have such vibrant colors in the fall, so that you can better appreciate the seasonal change. We are offering this class at two different times so please choose only one.
