A Bouquet from the Heart

This Valentine's Day your loved one deserves something new and different and Floral Designer Marge Hulstrunk has just the thing with a very unusual floral arrangement for that special someone. Learn from a master and take home a beautiful work of art. It's definitely not your usual dozen roses! Some experience helpful.

In addition to being our Volunteer Coordinator, Marge has been a professional floral arranger for over twenty years.

Date: Thursday, February 10, 2011
