Winter Weekend Photo Scavenger Hunt

What can you find on a winter weekend?

Looking for an outdoor weekend activity for the entire family? Take along a camera or phone and stop by the Haggerty Education Center for a nature photo scavenger hunt. Starting in January and changing monthly, just pick up a list, head outside, and shoot away. Take a picture of every item on the list, return to the Education Center and collect your prize. Scavenger hunts will change every month. January's theme is ***It's Alive***, February is ***It's A Small World***, and March is ***Pop Up***. What a rewarding way to explore the arboretum and get the family outdoors all year round.

Saturdays and Sundays in January, February and March
