

Beauty in the Books

Thursday, February 11 • 12pm

Join Curator Melanie Bump as we take an artistic look at the books. Books in their own right can be considered works of art, and using an aesthetic eye, we will explore the artistic nature of the Elizabeth B. Kay Rare Book Collection. Contained within the rare books are tiny exhibitions of gorgeous drawings, illustrations, prints and works of art. Through this special look, we will see the stunning, beautiful and artsy side of the rare book collection.

Cost: \$10 per person.
