Lunch and Learn

Buzzed About Bees

Thursday, October 20

A 45-min flyby over the current state of pollinators in New Jersey, small-scale backyard beekeeping, and how to attract bees with native plants and water features.

You'll learn basic bee biology, the first steps on starting your own apiary, as well as planting for pollinators.

Presentation and Q&A with Chase Kruppo, Senior Event Specialist with the Morris County Park Commission, who has produced raw, treatment-free honey for the past 10 years.

Virtual Program from 12-12:45 pm

\$10 per person

This program is eligible for 1.0 Rutgers Master Gardener CEU.
