

Thyme For A Talk About Herbs Before The Plant Sale?

2pm on May 4th

\$15, only for Members of the Friends of Frelinghuysen Arboretum

Join us at 2 pm on May 4th at the Haggerty Center at Frelinghuysen Arboretum for a special, members-only gathering and an engaging talk by **Caren White, AKA The Herb Lady**, who will offer timely tips and lively lore about growing herbs. Light, herb-themed refreshments will be served. After a short program, Caren will help select herbs up at the tent, where attendees will have exclusive access to all the plants at our sale before we open to other members, who will be able to shop from 4-7 pm
