spring 2022

*Friends of The Frelinghuysen Arboretum*

## Friends' *Plant Sale*

It wouldn't be spring without the Friends' Annual Plant Sale! At printing, the Friends are still assessing whether to have a live plant sale this year or to reprise our popular online sale. Either way, we know our members love to learn about the plants we'll be offering, so we will again host a series of four weekly Zoom presentations on Tuesdays at 7:00 PM beginning April 5. Topics will include a "Highlights of the Sale" with in-depth descriptions and photos of the plants we will be carrying, a guest appearance by one of our growers, a talk on shade gardening, and a special surprise visitor. All these Zooms will lead up to the sale, scheduled as always for the weekend before Mother's Day – that's Friday, April 29 for members only and Saturday, April 30 and Sunday, May 1 for the general public – or if we decide to go online, fulfillment of those orders will be that same weekend.

Stay tuned to our weekly eblasts for updates in March.

### *Volunteer to Help at the Plant Sale!*

The Friends of The Frelinghuysen Arboretum will be hosting their 25th Plant Sale fundraiser at the big tent at the top of the arboretum parking lot on April 29 – May 1. Setup begins on Monday, April 25 and post-sale inventory and tear-down will occur on May 2 – 3.

The key to success for this big event is finding energetic and enthusiastic volunteers. No extensive knowledge of plants is needed for most positions, but we do always have pop up info breaks to talk about different plants featured in the sale so you are likely to leave with both new friends and a greener thumb!

We hope to organize the work throughout the week so that volunteers are able to work together at safe distances, but we do ask that all who volunteer are fully vaccinated and boosted. All activities will be outside and under the big open tent at the top of the main parking lot.

If you're able to help for a few hours during the last week in April, please go to this link to register.

<https://www.signupgenius.com/go/805054ca5ac2cabff2-2020>

Thanks for supporting the Friends and the Arboretum and please do tell everyone about the sale!

## notes from the board

*"The complex interwoven web of life is sacred, real and important, worth protecting, worth taking a stand for". – Starhawk*

It's early February as I write these notes and I've started feeling it. I feel it right down to my corpuscles. The return of light, the warmth of the sun, the botanical world awakening underfoot, the promise of spring.

This year I look forward to the promise of a return to life as it was when we could gather and share information, ideas, and interests with each other face to face, shoulder to shoulder.

The Friends will find a new home in the Mansion at the Frelinghuysen Arboretum soon and will eagerly but cautiously bring back the smaller in-person events we've missed with a hope to grow back into larger events when safe to do so. We are delighted to be presenting a wide variety of opportunities in the coming season, from lectures to events under the tent. Come join us!

If possible, the Annual Plant Sale will be on site, and we look forward to oiling the gears of social interaction for the purpose of horticulture. This year the theme is native plants, and we'll have educational programs for inspiration before the sale, plant consultants to help you choose what's right for you during the sale, and plants galore, both native and non-native, available for purchase to beautify your property.

The Morris County Park Commission (MCPC) expects to be hiring again during 2022 and, though we employ a terrific staff to manage the daily operations of the Friends of The Frelinghuysen Arboretum, so much of what we do hinges on working with the staff of the MCPC. Teamwork. It's the key to success for the Friends and we love building a community around the subject of horticulture and sustainability. While we wait for the MCPC work force to return to pre-covid status, the Friends will provide

programming virtually or through recordings. However, with warmer weather we'll hold events under the tent like the Plant Sale and a new Pollinator Day Event on June 25th that will be free and family friendly.

On a final note, the Friends are in search of trustees to help move the organization forward over the coming years. We especially need people with experience in finance, hospitality, programming, fundraising, and marketing. Or let us know what you can do for us! If you think there is room in your life to meet new friends and make a difference in the community, please reach out to me at [heather.emelander@arboretumfriends.net](mailto:heather.emelander@arboretumfriends.net). It would be my pleasure to speak with you about the many ways you can help.

Yours in horticulture,

Heather Emelander

President, Friends of The Frelinghuysen Arboretum

### *12<sup>th</sup> Annual Community Garden Conference*

You don't need to be a community gardener to attend the 12<sup>th</sup> Annual Community Garden Conference on March 12. If you're growing vegetables you won't want to miss it!

## *Our Prized Native Azaleas with Steve Kristoph*

### *Virtual Zoom Program*

Native Azaleas are versatile, multi-season plants that deserve to be more widely used. Steve Kristoph grows many varieties at his local nursery in Millstone Township and has supplied our plant sale for many years. He'll tell us which ones bloom late, which are fragrant, which are wet-site tolerant, which ones have beautiful fall color, and more.

Steve is a popular adjunct professor at Rutgers University, where he received his B.S. and M.S. degrees in Horticulture. Steve is passionate about plants and likes to share this with others.

Join us for this informative program – you won't be able to resist adding some native Azaleas to your plant sale list!

*This program is eligible for 1.0 Rutgers Master Gardener CEU's.*

*Date:* Tuesday, April 12

*Time:* 7:00 pm

*Cost:* Free but registration is required

## *Gardening in the Shade with Rutgers Master Gardener Diane Lattanzio*

### *Virtual Zoom Program*

Got shade? Not a problem! discover the potential of the shaded areas in your yard and create appealing, low maintenance gardens in the shade. This presentation offers ideas and information on planning, planting and maintaining beautiful gardens to lighten up those shady spots. Plant suggestions including trees, shrubs, perennials, ground covers and annuals will be discussed and included in the handouts that will be provided.

*This program is eligible for 1.0 Rutgers Master Gardener CEU's.*

*Date:* Tuesday, April 19

*Time:* 7:00 pm

*Cost:* Free but registration is required

*Steve Kristoph*

## *6th Annual Tubbs Lecture: Lilac – Purple Haze*

The Tubbs Lecture at Willowood Arboretum honors the memory of Henry and Robert Tubbs. Guest speaker, Jack Alexander, held the position of Plant Propagator for 40 years at the Arnold Arboretum of Harvard University. He will share his expertise in growing lilacs and give a guided walk through the lilac collection at Willowood. Each guest will receive a free Lilac.

*This program is eligible for 2.0 Rutgers Master Gardener CEU's.*

To register, please call 973.326.7601 or book online at [morrisparks.net](http://morrisparks.net).

*Date:* Sunday, April 24

*Time:* 1:00 pm – 3:00 pm

*Cost:* \$30 per person

## *Unearthing The Secret Garden with Marta McDowell*

### *Virtual Zoom Program*

Frances Hodgson Burnett's classic, *The Secret Garden*, has inspired generations of readers to cultivate their own bits of earth. Join Marta McDowell as she remembers the thrill of reading about Mary Lennox turning the key in the door to the locked garden at Misselthwaite Manor for the first time. This lecture explores Burnett's life, work, and the passion for flowers and gardening that inspired her book before, during, and after publication in 1910. Marta will focus on the three gardens Burnett planted in England, America and Bermuda.

Marta McDowell lives, writes and gardens in Chatham, New Jersey. Her garden writing has appeared in popular publications such as *Women's Day*, *Country Gardening*, *The New York Times* and she is a regular contributor to the British journal, *Hortus*. Marta teaches landscape history and horticulture at the New York Botanical Garden and consults for private clients and public gardens. She was the 2019 recipient of the Garden Club of America's Sarah Chapman Francis Medal for outstanding literary achievement.

*This program is eligible for 1.0 Rutgers Master Gardener CEU's.*

*Date:* Thursday, May 12

*Time:* 7:00 pm

*Cost:* \$10 members / \$15 non-members

## Plant Sale Preview Talks

### *Virtual Zoom Programs*

*Time:* 7:00 pm

*Cost:* FREE, but registration is required

### *Highlights of the 2022 Plant Sale with Ilona Ontscherenki*

Be introduced to this year's sale and the hundreds of different trees, shrubs, vines, perennials, annuals, herbs, and vegetables you'll find there at the end of the month.

Tuesday, April 5

### *Preview of the 2022 Sale and Remembering the Start of It All*

Learn the key things to look for at the sale this year and remember back to when the sale first began with Ilona Ontscherenki and special guests.

Tuesday, April 26

## *Bluebirds and Hummingbirds in My Backyard – Really?!!*

### *Virtual Zoom Program*

Spring is when Bluebirds start thinking about raising a family and when Hummingbirds begin their long journey from Central and South America to settle into North American backyards. Jim Walker will present ways to attract these beautiful birds to your backyard and will provide some interesting facts about them.

Jim is the Owner of Wild Birds Unlimited, a retail store in Denville, NJ catering to the hobby of backyard bird feeding. Wild Birds Unlimited is one of the Friends' Retail Partners.

*This program is eligible for 1.0 Rutgers Master Gardener CEU's.*

*Date:* Thursday, March 31

*Time:* 7:00 pm

*Cost:* Free but registration is required

## *The Status and Challenges of Land and Natural Resource Conservation in New Jersey with Michele Byers*

### *Virtual Zoom Program*

In this presentation, Michele Byers will review the status of New Jersey's land preservation program and share some of the planning tools used to identify important conservation lands; she will also discuss current threats to New Jersey's lands and environment. Finally, she'll offer some solutions and proposed actions.

*Michele Byers*

Ms. Byers joined the New Jersey Conservation Foundation in 1982, as coordinator of Pine Barrens projects. She became Assistant Director in 1988 and helped found the Pinelands Preservation Alliance, Whitesbog Preservation Trust, Hunterdon Land Trust and New Jersey Highlands Coalition. In 1999, Michele became Executive Director of New Jersey Conservation Foundation; she is currently advisor to the Hunterdon Land Trust and President of RethinkEnergyNJ. Recently, Michele Byers was chosen by the Garden Club of America as the recipient of the 2022 Frances K. Hutchinson Medal, awarded for distinguished service to conservation, in recognition of her decades of work to conserve natural lands. She has a BA in Biology from Western State College, Gunnison, Colorado. Recently retired from the New Jersey Conservation Foundation, Michele lives in Pottersville and is an active dressage rider, avid hiker and sheep dog trainer.

*This program is eligible for 1.0 Rutgers Master Gardener CEU's.*

*Date:* Thursday, April 21

*Time:* 7:00 pm

*Cost:* \$10 members / \$15 non-members

## *Biblical Botany, A Virtual Tour*

Dr. Jon Greenberg, an agronomist and Biblical and Talmudic ethnobotanist, is familiar to many of us from his annual Biblical Botany walking tours at The Frelinghuysen Arboretum. In April, as Passover approaches, he will share insights from his research and from *Fruits of Freedom, the Torah Flora Hagadah*, his botanical guide to the Passover celebration published in 2021.

Dr. Greenberg will explain how every detail of the ritual Passover meal, or Seder, carries deep theological meaning, from the choices of vegetables and recipes for the ritual foods to the use of red or green grapes to make the wine for the meal, and even the table settings.

*This program is eligible for 1.0 Rutgers Master Gardener CEU's.*

*Date:* Thursday, April 7

*Time:* 7:00 pm

*Cost:* \$10 members / \$15 non-members

*Jon Greenberg*

## *Sustainable Gardening: Grow a Greener, Low Maintenance Landscape with Fewer Resources with Vincent Simeone*

### *Virtual Zoom Program*

*Vincent Simeone*

With detailed, strategic timelines for both short-term and long-term gardening techniques, Vincent Simeone's latest book, *Sustainable Gardening* lets you put your best foot forward in creating an efficient, sustainable home landscape. From composting and mulching to planting trees, Mr. Simeone covers all the eco-friendly essentials in one straightforward handbook and in his talk, he makes the what, how and why of sustainable gardening unmistakably clear. Learn why we should plant for the long-term, how to make the best plant selections possible, how to make the most of your lawn (regardless of its size), the importance of fighting insects and pests, how to conserve water with proper irrigation and more.

Vincent Simeone has worked in the horticultural field for over 30 years. He received an AAS degree in ornamental horticulture from SUNY Farmingdale, and a BS in ornamental horticulture from the University of Georgia. While at Georgia, Vincent studied under well-known professors Dr. Michael Dirr and Dr. Allan Armitage. For the past 23 years, Vincent has worked in public horticulture at Planting Fields Arboretum State Historic Park in Oyster Bay, New York, where he is the Director. He teaches horticulture classes at the New York Botanical Garden and has appeared on several gardening programs including Martha Stewart Living and HGTV. Since 2005 he has published six books and in 2010, he contributed to a first ever textbook on public garden management.

*This program is eligible for 1.0 Rutgers Master Gardener CEU's.*

**Date:** Tuesday, May 24

**Time:** 7:00 pm

**Cost:** \$10 members / \$15 non-members

## *Creating a Pollinator Paradise in Your Own Backyard with Heather Andrews*

### *Virtual Zoom Program*

Join Heather Andrews, *The Thoughtful Gardener*, as she shares the secrets she learned from her Grandfather Andrews in his North Carolina garden, along with extensive garden research that will enable you to create a paradise for wildlife and your own family. Heather will show us how to welcome the "royalty" of the butterfly kingdom into our own gardens by creating the perfect oasis for the Monarch butterfly migration.

Heather Andrews is an author, photographer, traveler and speaker who works with homeowners and businesses to create sustainable native pollinator habitats. During the growing season, you will find her in her Monarch waystation, Cat-a-pillar Haven, video blogging on her YouTube Channel, *Garden Thoughtfully*. Heather is a two-time recipient of the Pennsylvania Horticultural Society's Garden of Distinction Award for her Monarch waystation and for a pollinator garden she designed for the historic Craighead House in Carlisle, Pennsylvania in conjunction with the Master Gardeners of central Pennsylvania. Her proposal, "The Resurgence of Pollinator

*Heather Andrews*

Hedgerows – Using Science to Create a Pollinator Oasis in Your Own Backyard", was accepted at the 2021 International Master Gardeners Conference.

*This program is eligible for 1.0 Rutgers Master Gardener CEU's.*

**Date:** Tuesday, June 21

**Time:** 7:00 pm

**Cost:** \$10 members / \$15 non-members

# Friends Annual Virtual Zoom Meeting

## *Highlights of the Chicago Botanic Garden with Fred Spicer*

**Fred Spicer** will take us on an armchair tour of this world-renowned botanic garden that also participates in the American Horticultural Society's Reciprocal Admissions Program.

Fred Spicer has been the Executive Vice President and Director of the Chicago Botanic Garden since February 2017. In his role at the Garden, Spicer oversees horticulture, design, facility operations, maintenance and capital planning and projects. Most recently he served 15 years as the Director and then CEO of the Birmingham Gardens in Alabama. Before his service at the Birmingham Botanical Gardens, he was Manager of Horticulture for the Morris County Park Commission in Morristown, where he oversaw The Frelinghuysen and Willowood Arboretums. Fred is a 1983 graduate of Rutgers University with a B.S. in environmental planning, design and landscape architecture.

*This program is eligible for 1.0 Rutgers Master Gardener CEU's.*

**Date:** Sunday, June 12

**Time:** 4:00 pm

**Cost:** FREE for members / \$10 non-members  
Registration is required.

*Fred Spicer*

## *Join the Buzz on Pollinator Day!*

We're celebrating Pollinator Week with a family-friendly mix of activities and exhibits focused on those all-important insects and birds who pollinate the flowers. Without them, there wouldn't be any seeds or food! There will be experts on hand to talk about butterflies, honey bees and their hives, birds, and other insect pollinators. Guides will lead walks to identify insects at work in the garden and explain the clever ways that flowers attract them. They'll be joined by horticulturists who can tell you what plants will bring pollinators into your own garden from early spring through the fall. Activities will be under the big tent at the top of the parking lot.

Stay tuned for further details in our weekly eblasts in the spring.

**Date:** Saturday, June 25, **Raindate:** Sunday, June 26

**Time:** 10:00 am – 2:00 pm (times to be confirmed)

**Cost:** Free

## And there's more...

*Check our website for previously recorded programs that are still available.*

# This is Spring in a bowl!

## Fresh Pea and Lettuce Soup with Butter Dumplings

### Soup:

4 tablespoons butter  
 1 medium onion, diced  
 1 head Boston lettuce, coarsely chopped  
 4 cups fresh peas  
 1 ½ quarts chicken stock or vegetable stock  
 1 teaspoon salt  
 ½ teaspoon sugar  
 ¼ cup cream  
 ¼ cup chopped Italian parsley

In a large soup pot, saute the onions in the butter until translucent. Add the lettuce and cook until wilted. Add the stock, the peas, salt and sugar and simmer for about 30 minutes. Puree the soup using an immersion blender or if using a regular blender, take care to hold the top down with a kitchen towel. Add the cream and season with salt and pepper.

### Butter Dumplings:

6 tablespoons soft unsalted butter  
 2 eggs  
 1 ½ cups flour  
 1/3 cup milk  
 ½ teaspoon salt  
 1/8 teaspoon nutmeg  
 1/8 teaspoon cayenne

Cream the butter until light and fluffy and then add the eggs. Add the spices to the flour and stir to combine. Alternately, add the flour and milk, beginning and ending with the flour. The mixture should be smooth and creamy.

With oiled hands, form the dumplings into balls about the size of a teaspoon. Set aside on an oiled or parchment lined baking sheet.

Bring a large pot of salted water to a boil and drop in the dumplings. Boil, covered for 15 minutes. Transfer them to the soup and enjoy!

## in memoriam

### *Ann A. Abrams*

We are very sad to report that Ann Abrams, the longtime Secretary of the Friends, passed away from a short illness on November 27, 2021, at the age of 80. While working for the Friends, Ann managed the registrations for all our programs, she handled membership not just for individuals but also for our organizational and affiliate members. Ann was responsible for so many aspects of our organization that her impact is still felt to this day and we miss her.

Ann worked as a legal secretary for the Morris County Sheriff's Department until starting a family in 1970. After her children were older, she returned to work as the Secretary for the Friends of the Frelinghuysen Arboretum until she retired in 2012. Ann was a member of the Denville Sr. Citizens. She also delivered Meals on Wheels, helped with the Denville food drive, and worked at the St. Francis Garage sales. She crocheted prayer shawls with the Threads of Love Ministry at St. Mary's Roman Catholic Church. She loved gardening, knitting, crafting and playing bridge, but most of all she loved her husband who preceded her in death in September of 2021.

### *Cynthia Robinson* *Friends President 1992-1996*

Long-time members of the Friends will remember Cynthia Robinson, who was President of the Friends Board from 1992-1996. Cynthia passed away peacefully on January 9, 2022 at 91 years of age. She was influential in Morris County environmental and preservation efforts. Cynthia's love of nature, horticulture, and the environment began at an early age with visits to her grandfather's farm in Pennsylvania. She was a convivial person who firmly believed in citizen involvement in the community. She was active in saving the Great Swamp from becoming a jetport, and was the driving force behind preserving the historic Tunis-Ellicks House in New Vernon. For 60 years she was a member of the Garden Club of Morristown, among many other groups. She was involved in numerous horticultural projects, including helping to recreate the Tempe Wick garden at Jockey Hollow National Park, establishing a flower-arranging business called Robin Hill Flowers, and studying botanical illustration. A memorial service will take place on May 14 at 11 a.m. at St. Peter's Episcopal Church in Morristown.
