

Building Community through Horticulture –

The Frelinghuysen Arboretum, a place of beauty and tranquility enjoyed by over half a million people annually.

Engage... with garden tours, Gingerbread Wonderland, and our annual plant sale.

Enrich... with programs for all ages in horticulture, cooking & gardening, local and international trips.

Educate... with classes for adults & children, symposia on current topics of interest, library borrowing privileges

Since 1972, the Friends of The Frelinghuysen Arboretum has had the twin goals of working with the Morris County Park Commission to develop and enhance the arboretum, and of offering an exceptional, year-round program of horticultural and environmental education to the public. Thousands of people benefit each year from the Friends' programs and services.

Membership in the Friends of The Frelinghuysen Arboretum is open to all. Please help us to continue this important work by joining the Friends.
