# Silver Maples

**THURSDAYS 10-11AM**

Ages  
55 & Up

## Jan 25 - Succulent Secrets

Get your hands into the soil and create a mini-succulent garden to bring home in this new monthly program just for active seniors.

## Feb 22 - Winter Birding

Even in winter, birds are out and about looking for food. Dress for the weather and join us on a short hike to look for signs of bird activity. Craft a small bird feeder to lend our bird friends some help! **All skill levels welcome.** Bring binoculars or borrow ours.

## Mar 28 - Dot-to-Dot

Discover the world of painting flower portraits, different flower artist's techniques and styles over the centuries. Create your own pointillism flower painting to bring home.

\$15 per person. Pre-registration is required.
