

morris county park commission

ADULTS

Vegetable Gardening

Horticultural Education

Seed catalogs are here and packets are in the stores. It's time to think about - and start - plants for your vegetable garden. Learn how to save time and money in this vegetable seed starting workshop. Each participant will plant and take home interesting, new varieties started for their garden.

Seed Starting for a Successful Vegetable Garden

SATURDAY MAR 9

10am - 11:30am

\$20 Per Person

Preregistration is required.

Book online at tinyurl.com/MCPCadult
